Banner Engineering
Industrial Photo-electric Controls
• Fiber Optic and LASER sensors
• Machine Safety • Machine Vision

Parker: Compumotor/Daedal AAD/CTC/Trilogy/Bayside/SSD
Linear & Rotary Positioning Systems, Electric Cylinders, Motion Controllers, VFDs, Servo & Stepper Systems, HMIs and Industrial PCs

Cognex Corporation
Smart Sensors, CCD & CMOS Imagers, Color Sensors, ID Readers, Gauge/Inspect/Guide/Identify

•Parker •CGI •Bayside
Planetary and Spur Gear Heads, Inline and Right Angle Designs, Full Range of Ratios and Frame Sizes

Pepperl & Fuchs
Capacitive, Inductive, Ring, Linear & Inclinometer Sensors, Encoders, RFID and 1D/2D Scanners

Animatics
Integrated Brushless DC Servo Systems, RS 232/485, DeviceNet & Profibus Networks

Puls Power Systems
Industrial Power Supplies, UPSs and Redundant Power Systems

Intelligent Actuator Inc
Linear Actuators & Grippers, Cartesian and SCARA Robots, ROBO Cylinder

Mitsubishi Electric
PLCs, HMIs, Servo Motors, Motion Controllers, VFDs and Robots

Mitsubishi Electric
SCARA & 6 AXIS Robots, Linear Motors, PLCs & HMIs

Red Lion Controls
Indicators & Panel Meters, Signal Conditioners, HMI's and Encoders

Delta Tau Data Systems
Multi-Axis, Stand Alone and PC Based Controllers and CNC System

Lumberg a Belden Company
Connectors, Cables, Wiring Systems
Ethermate & EtherNet Products

Nanomotion
Piezoelectric Linear & Rotary Motor Systems

LMI Selcom
1D & 2D LASER Sensors

Empire Magnetics Inc.
Stepper and Servo Motors for Extreme and Hazardous Environments RAD/Heat/Cold and Vacuum

MTS Temposonic
Linear Programmable Sensors

Telesis
DPM (Direct Part Marking)
Laser Marking Systems

Baldor
Motors and Drives

Banner Engineering
• Wireless I/O • Machine Safety
• Machine Vision • Cord Sets

NSK
Linear Motion Products, Ball Screws & Linear Bearings

SMC
Pneumatics • Actuators • Thrusters & Grippers • Cylinders • Tubing & Fittings

Shaft Couplings
Flexible & Bellows Designs, Safety Couplings, Zero Backlash Designs

EPC Encoder Products
Incremental and Absolute Encoders

Parker IPS
•High Strength Aluminum Extrusion used for Machine Building, Safe Guarding and Work Stations

Renishaw
High Resolution Optical Linear Encoders
